

## MINI PRESENTATION

Reto Stamm

James L. Burnham

ABSTRACT OF THE DISCLOSURE

A method, system, and computer program product for providing a miniature version of a presentation. Presentation materials are created, a miniature printed version of the presentation materials are created, the presentation is presented to an audience, and the audience is provided with the miniature printed version of the presentation materials. The miniature presentation may be a single page, or multiple pages, and may include other marketing materials or be packaged as a fun product more likely to be retained by the audience members. The miniature presentation may be the size of a standard business card, and may be bilingual.
